

Fifth Annual

CALL FOR NOMINATIONS

ENERGY STAR® *for Congregations Awards* *for the year two thousand and three*

2003

ENERGY STAR for congregations is a free service of the U.S. Environmental Protection Agency (EPA) that helps owners and operators of congregations and organizations cut costs through energy efficiency. If a small business, non-profit, association, or congregation you know practices exemplary energy efficiency, call **I-888-STAR YES** to enter.

AWARD CRITERIA

You may nominate your own congregation, or any other congregation.

The congregation/organization must be a facility of 100,000 square feet or less and may not be in the energy equipment industry.

The nominated congregation should be practicing exemplary energy efficiency that translates into real dollar savings.

Nominees who have shown creative and innovative solutions are highly encouraged to enter.

HOW DO I NOMINATE?

Call I-888-STAR YES.

Fill out an application at the ENERGY STAR for congregations Web site at www.epa.gov/congregations. Or fax application to (301) 977-8474.
